

Get OUTSIDE! Put down the IPODS, turn off the phones, take out the ear-buds! Let's MOVE!! RUN, JUMP, SLIDE! HAVE FUN!! Enjoy the sun, breathe the fresh air! Good for the mind and body! De-stress with friends and have an adventure!

Wear appropriate clothing for running and crawling around the fields. Baggy clothes are best with hiking boots or old sneakers. Protect your arms and legs with long-sleeves and long-pants. We recommend gloves and some sort of neck cover. Remember, we have Pro-shop, fields, food-mart with eating area, gas station and plenty of parking all on-site!

We provide a huge top notch showroom, full gun tech room, Internet room for all of our boxing and shipping needs, enormous back room for all of our excess product, state of the art air room, and last but not least, our meticulously maintained playing fields.

QuickShot has four woodsball fields that can accommodate all of your needs for recreational play. If you are looking for capture the flag, elimination or scenario type events we can get it done. Try our L shaped field for some unique angel plays or our Pond field for some fire fights across the water. We specialize in any type of private group event. QuickShot Paintball specializes in birthday parties, business groups, youth groups, bachelor parties, church groups and any other type of group outing you can think of. If you are looking for a clean, safe, enjoyable environment in which to enjoy one of the most exciting games around, you have come to the right place.

## is having a PAINTBALL PARTY! and You're Invited!
